

The Rotary Club of Hillcrest has been proud to sponsor, for the past 30 years, a special Awards Dinner Presentation designed to acknowledge the top student in each of the many Career Technical Classes coordinated through the Excel Tech Program centered at Mayfield High School.

This program includes students from seven area school districts with various vocationally oriented programs taught at several of these districts high schools. These programs range from Auto Mechanics, to Cosmetology, Culinary Arts, Computer Aided Design, Construction, Horticulture and many more.

With Vocational Programs being one of the four main areas of service of Rotary Clubs worldwide, it is fitting that our club take this opportunity to encourage and recognize the great value this added type of education has brought to our community and the additional opportunities it opens for many students.

This Awards Dinner has become a premier event for our organization. Held each May at the Manor Party Center in Euclid, Ohio, it brings together nearly 300 students, their parents and guests, their teachers and many additional school administrators, local school board members, city officials as well as Rotarians and their guests.

In order to permit us to provide this event at no charge to those being recognized, we ask local business people, school suppliers, student employers and others to help defray the costs of these dinners and trophies by becoming a student sponsor whereby they attend the dinner with the student, are recognized at the dinner and in the program and assist in the awards presentation. The cost for this is \$125.

In addition to our sponsors, we are most grateful for individual and corporate Boosters, who, by their contribution of \$35, help to cover some of the additional expenses and are recognized in the evening's program.

In this, our 31st Annual Career Technical Education Awards Dinner, we will be presenting awards to 35 students and would sincerely appreciate your consideration of becoming one of our main sponsors and joining us on the evening of May 5<sup>th</sup>, 2009, or possibly the alternative by helping by becoming a Booster.

Please acknowledge your acceptance of this great opportunity to:

# The ROTARY CLUB of HILLCREST

## 31<sup>st</sup> ANNUAL VOCATIONAL / INDUSTRIAL ARTS RECOGNITION DINNER

Tuesday, May 5, 2009

### SPONSORSHIP APPLICATION

The Hillcrest Rotary Club depends on and sincerely appreciates the Corporate and Individual Sponsors that make this Awards Dinner possible. These sponsorships provide dinner for a winning student, his or her parents, and the sponsor or their representative and a beautiful trophy which is presented to the student at the dinner.

I / WE wish to participate as a sponsor for the 2009 Annual Vocational / Industrial Arts Awards Dinner and help recognize the outstanding students in these areas from Brush, Mayfield and Richmond Heights High Schools,

I / WE wish to sponsor a student from:

- Brush High School
- Mayfield Heights High School
- Any of the above

in the category of \_\_\_\_\_

(please list category from attached sheet)

or  Wherever a sponsor is needed

Sponsor's Name: \_\_\_\_\_

Company Name: \_\_\_\_\_

Address: \_\_\_\_\_
